

Bhavya Darji

B.Tech AI & Data Science, KJ Somaiya Institute of Technology '28 | Mumbai, India | +91-8433791241
bhavyadarji462@gmail.com | <https://bhavya-darji.vercel.app/>

Profile Summary

Full-stack and AI engineer building production web, mobile, and AI applications. Hands-on experience implementing RAG pipelines with Supabase pgvector, shipping LLM integrations, and building cross-platform mobile apps in React Native and Flutter. Founder of Velaar (AI EdTech copilot) and creator of Handwrite (180+ organic users).

Technical Skills

Core Engineering Stack: React, Next.js, React Native, TypeScript, Python, Node.js, Express, Supabase (pgvector), PostgreSQL, Firebase

Tools & Frameworks: Flutter, Dart, Tailwind CSS, REST APIs, Git/GitHub, Docker, Redis, Google Cloud, MySQL, C/C++, Java, WordPress

Professional Experience

SunMac Solar (Ecomac Energy Pty Ltd) [\[Offer Letter\]](#) *Founder's Office Intern* | Sep 2026 – Present

- Working in the Founder's Office on software systems and operations for an Australian commercial solar energy provider.
- Engineered an AI Lead Intelligence platform: automated business discovery via ABN Lookup, rooftop solar detection via Google Maps satellite imagery, lead enrichment, and Supabase pgvector semantic search to generate tailored cold outreach emails.
- Redesigned and launched the SunMac Solar website (sunmacsolar.com.au) with Next.js, optimizing load performance, mobile layout, and commercial SEO.

Optisoft Vision [\[Recommendation Letter\]](#) *React JS Software Developer* | Jun 2024 – Aug 2024

- Built and refactored 12+ modular React/Vite components across EyeCloud, Lensoui, and HelpHub web portals.
- Connected REST APIs with asynchronous state caching and error boundaries, eliminating UI render lag and sync issues.
- Resolved 25+ cross-browser bugs and delivered production patches across structured agile sprint cycles.

Vinayak Soft Solutions [\[Recommendation Letter\]](#) *App Developer Intern* | Nov 2024 – Mar 2025

- Developed cross-platform mobile apps in React Native and Expo, including an offline-first restaurant POS system for table orders.
- Built a real-time analytics dashboard tracking daily sales, inventory levels, and operational metrics for local business owners.

WebGyor Technologies [\[Recommendation Letter\]](#) *WordPress Developer* | Jun 2022 – Aug 2022

- Developed responsive client web portals (Portfolio Analyst, Employee Track); reduced page load times by 35% via caching and asset delivery optimizations.

Ayika Foundation [\[Offer Letter\]](#) *IT Intern* | Aug 2022 – Aug 2023

- Managed digital infrastructure and automated content distribution workflows for environmental campaigns reaching 10,000+ people.

Featured Projects & Founder Ventures

Velaar – AI Educational Platform [Live Demo](#) | React 19, Gemini 1.5 Pro, Supabase, pgvector, Express

- Built an AI teaching assistant using Gemini 1.5 Pro and a Supabase pgvector RAG pipeline to generate curriculum-grounded lesson plans and Bloom's taxonomy assessments with sub-1.8s streaming responses.
- Created an automated Topic-to-PowerPoint slide generator and a real-time QR attendance verification system with role-based JWT auth.

Hasslefree Drive – On-Demand Driver Booking App [Live Site](#) | Flutter, Dart, Google Maps API, REST

- Built a dual-sided driver booking mobile app featuring live GPS tracking via Google Maps, automated tiered fare estimation, and a REST API backend with JWT authentication and push notifications (currently in launch phase).

Handwrite (2024–25): Built and launched a SaaS product to **180+ organic users** converting digital text into realistic handwritten PDFs (1,200+ pages rendered, Razorpay credit packs); shut down after analyzing server canvas compute economics versus student pricing tolerance.

Freelance Web Engineering (2023–24): Delivered 3 client sites (**ATM Promo**, **Prime Financials**, **Barter Tech**) achieved 95+ Core Web Vitals, improved load speeds by 40%, and built high-converting B2B lead funnels.

Education

KJ Somaiya Institute of Technology — B.Tech in AI & Data Science	Current CGPA: 8.7 / 10.0	2025–2028
Shri Bhagubhai Mafatlal Polytechnic — Diploma in Information Technology	Aggregate: 85.73%	2022–2025
Parle Tilak Vidyalyaya — Secondary Education (Class 10)	Aggregate: 93.50%	2010–2020

Certifications & Leadership

Certifications: Claude AI Fluency, Claude AI Fluency for Students, Claude for Small Businesses, AI & ML Specialization, AI Agents Workshop, KJSIT Campus Hackathon, Claude Vertex AI

Leadership & Beyond: Founder at Velaar & Handwrite; Peer mentor in React Native & Git; Languages: English, Hindi, Gujarati, Marathi
