LETTER OF RECOMMENDATION

This is to certify that Mr. Bhavya Darji was working as an "App Development Intern" in our organization from 01-Nov-2024 to 31-Mar-2025.

During this period, he gained hands-on experience in app development using React Native and Expo. He built a POS system for local restaurants to manage offline orders seamlessly, streamlining daily operations, and developed a Business Insights app delivering real-time sales, purchase, and performance metrics for decision-making.

We have found him to be a self-starter who is motivated, duty-bound, and a highly committed team player with strong conceptual knowledge. During his tenure with us for the above period, we found him efficient, and his character and conduct were good.

We at Vinayak Soft Solutions wish him all success in his future endeavors.

Yours truly,
For Vinayak Soft Solutions
